Mailander 122 double color UV printing line

Pre-owned bicolor Mailander 122 print line with Mailander type 770 feeder, Spectral interdeck UV oven and Giardina UV end drying ovens (2 lamps / 5 lamps). UV control is from Omron and air-water cooling system is from GST. Both printing decks have Grafitel TGC remote ink control and Baldwin alcohol dampening system. All motors were changed from DC to AC with frequency inverters and electronic synchronism by PLC and screen. Printers are equipped with a control PLC from Klockner Moeller. DUE TO THE ELECTRONIC UPDATE THE PRINTING PRESSES ARE SIMILAR TO THE 122A MODEL.
